Jitske Kramer's
Tricky Times

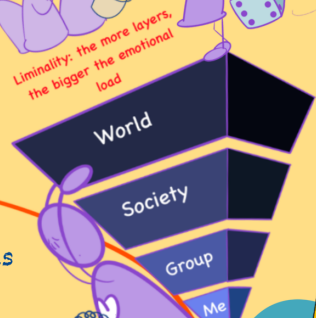

VUCA

Culture is a
story we all
believe in

- Status
- Certainty
- Autonomy
- Relatedness
- Fairness

No Limits
fosters limitless
behaviour

Liminality; The In-between

The danger
doesn't come
from those
but from those
that confuse it
with leadership

Beware: Tricksters

Not a fact

A New Narrative

Recognize you're lost,
Calm down, make tea &
stop blaming people

"One of the most important
challenges is to combine autonomy
and freedom with solidarity and
connection"

Growth
by
Limits

Ubuntu: I am
because We Are

Master of the
Universe?

Moral Leadership

Let's fix the
kitchen

Indiginomics

Freedomparadox
We're lost, but
not doomed

Say farewell to
that which
doesn't serve us
anymore.

Naive desire for
purity

"I'll take you
where your soul
can find you
again"

I'm not
here
